## Mentor Program

### - Volunteer Mentor Program

- volunteer Mentor Program
  - Postgraduate Mentor Program (10 trimesters)
  - Undergraduate Mentor Program (4 trimesters)
- senior students (Mentors) supporting new students (Mentees) in groups (1:3)
- weekly meetings(1hour) for first six weeks of each trimester
- organizing various events throughout each trimester

Program plan and Administration

Mentors – Promotion & Recruitment

Prospective mentors apply online and undergo a group interview process.

Training of Mentors

Mentors undergo full day training which is inclusive of Deakin resources and other rapport building strategies. A number of guest speakers from the University present.

Mentees – Promotion & Registration

Program promotion to new students is done during Faculty enrolment and orientation programs. New students register for the program.

Matching

Mentors and Mentees are matched based on course similarity, cultural backgrounds and on special requests. Mentors advise numbers of Mentees they wish to mentor.

**Program Implementation**

First Meeting	This is when the Mentors meet their assigned Mentees for the first time.
Library Database Workshop	This is requested and organized on behalf of B&L students. Essential techniques of searching online resources demonstrated to the commencing students.
Catch up Meeting & Functions	This meeting is to learn about group progress, student issues and evaluation. Social and academic functions for Mentors and Mentees are also held as part of the program.
Recognize our mentors (ROM)	This is a celebration to acknowledge the efforts of all mentors. Participation certificates are also issued to Mentors.
Program feedback and evaluation	This is to collect the feedback from both Mentors and Mentees for further improvement of the program. Student testimonials are also collected for website promotion.

Discuss typical study skills problems

- I can't read as fast as the lecturer expected; there is so much to read for one seminar, and I feel frustrated that I can't finish ...
- I don't know how to take notes during lectures. I don't know which are important and should be noted down ...
- I've just got my assignment and I don't know what to do ...
- .....

## More student driven initiatives

### Language Exchange Program Pilot

- by: Pawan & Peter (T2, 2009)
- interaction between Australian and international students in exchanging language

### Undergraduate DIS Week

- by: UG Drop-In-Station Team (T2, 2009)

### What mentors valued most...

- *"You feel as though you belong. It is as if I was always here. I was never new, only in the eyes of my mentor."*  
**Tendayi**
- *"...The practical experience of interacting with a multi-cultural cohort of students helped me customize my communication to different audiences. Delivering presentations to students, resolving student issues and liaising with staff across faculty contributed immensely in building my confidence and proved to be a training ground second to none. To conclude it was the best introduction I could get to the Australian work culture."*

## Tips for developing your own Mentor programs

- Develop a program based on your specific context
- Talk to students – what do they think they need?  
What's really happening between students?
- Engage students in the development process and continue throughout the life of the program
- Employ students in admin of program
- Empower student to make decisions about the program

Deakin University CRICOS Provider Code: 00113B

## Tips continued....

- Look for a program champion
- Utilise template resources available online through ANZSSA or National Youth Mentoring Network
- Consider design – objectives, structure, selection, training, matching and support, monitor & evaluate
- Talk about the program everywhere you can
- Integrate program into as many 'local' activities as you can

Deakin University CRICOS Provider Code: 001188

## Tips continued

- Evaluate, evaluate, evaluate
- Utilise student societies etc to promote the program
- Encourage student input and development
- Reward and value students where ever possible
- 'Student really do know best!'
- Facilitate student ideas

Deakin University CRICOS Provider Code: 001188

## Future developments

- Exploring models for regional campuses
- More work with student societies
- D2L - Drop In Station move to online support & accessible to more students
- Curriculum renewal processes in UG degrees – opportunities for mentoring to become an assessable parts of units
- ‘Live’ case study of the DIS in a PG Marketing unit
